PROGRAMME

ERC Training

2018-12-12 (9 am - 6 pm)

Purpose: The aim of ERC training is to convey to the participants what cannot be found in the ERC official documentation but also to clarify the basic knowledge and requirements to prepare an ERC grant proposal.

Target audience: Universidade de Lisboa potential ERC candidates (Starting, Consolidators) who wish to deepen their understanding about the unique nature of the highly competitive ERC grant.

Topics: ERC basics and terminology; Technical rules & regulations; Screening ERC candidates; What constitutes the required Scientific Excellence; The unique nature of ERC: High risk, high gain, non-incremental work; Hypothesis for ERC - how to do it right; How to write a convincing methodology chapter; Review Panel selection; The panel-application reciprocal effect; Application and submission process; The evaluation process; Ethical issues; And more...

Local: Auditório da Incubadora da ULisboa, Complexo Interdisciplinar (Av. Professor Gama Pinto, N.º 2)

Contacto: Maria Helena Colaço, hcolaco@reitoria.ulisboa.pt

Horizon 2020 Training

2018-12-13 (9 am - 1 pm)

Purpose: Address all the required elements encompassing a Horizon 2020 grant proposal

Target audience: Researchers from Universidade de Lisboa academia who wish to apply for Horizon 2020

Topics: Concept formation; Consortium building and management; Crystallizing the required "Excellence"; Addressing the Impact; Planning the work plan; Planning coordination tasks; Budgeting; Orchestrating the proposal writing; Technical aspects and issues; Ethical annex; Submitting the proposal; And more...

Local: Auditório da Incubadora da ULisboa, Complexo Interdisciplinar (Av. Professor Gama Pinto, N.º 2)
