ACCESS AND ADMISSION

'LICENCIATURA' DEGREES (1st Cycle) – BSc AND INTEGRATED MASTER'S DEGREES (1st and 2nd Cycles) – BCs + MSc

If your nationality is not Portuguese, nor that of another European Union country, you must apply through the **Special Admission Competition for International Students (CEI)**.

>> Students who hold a secondary education diploma or an equivalent certificate, which, in their country of origin, allows them to apply for Higher Education

ACCESS

Requirements for application to enroll in the 1st cycle of studies ('Licenciatura' Degree and Integrated Master's Degree) at ULisboa, through the Special Admission Competition for International Students (CEI):

- to be officially qualified to apply and register for Higher Education in the country where the qualification was obtained. (Proof must be provided.);
- to hold a Portuguese secondary education diploma, or a legally equivalent qualification;
- to be an international student who has already attended Higher Education, in Portugal or in another country, through programme transfer or change (institution/programme pair transfer regime).

ADMISSION

To be admitted in a Licenciatura or Integrated Master's Degree programme (1st cycle of studies) through the CEI, students must provide cumulative proof of:

- academic qualifications in the fields required for the cycle of studies they are applying for;
- knowledge of the Portuguese language level required to attend the cycle of studies (or English for programmes lectured in the English language);
- meeting the cycle of study's pre-requisites.

CRITERIA FOR ADMISSION

Applicants must hold qualifications that would enable them to access Higher Education in their country of origin. In any case, they must prove that they got passing grades in the specific classes required for each programme, whether through national final exams, should they exist, or through passing grades.

The specific classes/subjects demanded and the selection criteria for each programme are available at www.ulisboa.pt.

APPLY ONLINE!

>> Students of a foreign nationality, different from that of an European Union member country, who:

- have not been living in Portugal for over 2 years, uninterruptedly, up to January 1st of the year of application (same rule applies for children legally residing with them), unless that time was for the purpose of studying;
- are not, by definition of the Law, related to Portuguese citizens, or to citizens of other European Union countries;
- by January 1st of the year of application, do not benefit from a statute of equal rights and duties under an international treaty celebrated between Portugal and their country of origin;
- are not applying for Higher Education through a special regime.
