

A woman with long blonde hair, wearing sunglasses and a grey tank top, is shown in profile on the right side of the image, looking out towards the ocean. In the background, a stone marker with a spherical top and a seagull perched on it stands in the water. The sky is blue with light clouds, and the water is a deep blue. The overall scene is bright and scenic.

ACCESS AND ADMISSION

If your nationality is not Portuguese, nor that of another European Union country, you must apply through the **Special Admission Competition for International Students (CEI)**.

>> Students of a foreign nationality, different from that of an European Union member country, who:

- a) have not been living in Portugal for over 2 years, uninterruptedly, up to January 1st of the year of application (same rule applies for children legally residing with them), unless that time was for the purpose of studying;
- b) are not, by definition of the Law, related to Portuguese citizens, or to citizens of other European Union countries;
- c) by January 1st of the year of application, do not benefit from a statute of equal rights and duties under an international treaty celebrated between Portugal and their country of origin;
- d) are not applying for Higher Education through a special regime.

>> Students who hold a secondary education diploma or an equivalent certificate, which, in their country of origin, allows them to apply for Higher Education.

Students admitted under the International Student Statute must keep this status throughout the full programme they enrolled in initially or transferred to, even if they are extended equal rights and duties by an international treaty signed between Portugal and their country.

Exception: students who obtain EU nationality. The international student statute, in this case, ends only on the school year following the one when the nationality was obtained.

ESTUDANTEINTERNACIONAL.ULISBOA.PT

ACCESS

Requirements for application to enroll in the 1st cycle of studies ('Licenciatura' Degree and Integrated Master's Degree) at ULisboa, through the Special Admission Competition for International Students (CEI):

- To be officially qualified to apply and register for Higher Education in the country where the qualification was obtained. (Proof must be provided.)
- To hold a Portuguese secondary education diploma, or a legally equivalent qualification.
- To be an international student who has already attended Higher Education, in Portugal or in another country, through programme transfer or change (institution/programme pair transfer regime).

ADMISSION

To be admitted in a Licenciatura or Integrated Master's Degree programme (1st cycle of studies) through the CEI, students must provide cumulative proof of:

- Academic qualifications in the fields required for the cycle of studies they are applying for;
- Knowledge of the Portuguese language level required to attend the cycle of studies (or English for programmes lectured in the English language);
- Meeting the cycle of study's pre-requisites.

CRITERIA FOR ADMISSION

Applicants must hold qualifications that would enable them to access Higher Education in their country of origin. In any case, they must prove that they got passing grades in the specific classes required for each programme, whether through national final exams, should they exist, or through passing grades.

The specific classes/subjects demanded and the selection criteria for each programme are available at www.ulisboa.pt.

DISCOVERING LISBON

A COSMOPOLITAN CITY FULL OF LIGHT

The Tagus River and the Sun are always present in the city. Lisbon is a mirror of light and color, where natural and architectural beauty walk hand in hand.

Almost a thousand years of history are visible through the unique monuments and characteristic neighborhoods where the city was born and to which it remains true.
